Agenda title: Consideration of an Annexation Agreement between the Towns of Woodfin and Weaverville

Requested action: Motion to approve Annexation Agreement Ordinance

Related documents: Annexation Agreement, Map of Area Referenced in Agreement, Weaverville Adopted Ordinance

SUMMARY

NCGS §160A-58.21 authorizes two (2) or more municipalities to enter into binding agreements regarding future annexations in or to enhance orderly planning by the municipalities. An agreement removes uncertainty about where future boundaries may lie between the two (2) jurisdictions.

Another reason that municipalities enter into annexation agreements is that a municipality may not consider an annexation petition for non-contiguous property if another municipality is closer to any portion of the property under consideration *UNLESS* an agreement is in place, and “the agreement states that the other city will not annex the area but does not say that the annexing city will not annex the area.” As a result, it is permissible for Woodfin to annex any property not denoted or claimed in the annexation agreement with Weaverville and vice-versa. See attached map for the areas referenced in the agreement.

The towns of Woodfin and Weaverville last entered into an annexation agreement in 2010, and that agreement has since lapsed.
