Agenda Title: Approve Revised Riverside Park Expansion Master Plan

Presenter: Eric Hardy

Accompanying Documents: Revised Riverside Park Expansion Master Plan (excerpt)

Meeting Date: April 20, 2021

Summary:

The Town Board approved the Riverside Park Expansion Master Plan on July 20, 2020. The Board instructed staff at that time to gather additional public input into the park's design. Subsequently, the design firm, Equinox Environmental, prepared a community survey to solicit additional comments. Riverlink promoted and hosted the survey on its Woodfin Greenway and Blueway site. This revised master plan incorporates those comments beginning on page 21, and the Board's requested action formally acknowledges receipt of those comments.

Process and Timeline:

The revised master plan will be submitted as part of the pending Parks and Recreation Trust Fund (PARTF) grant application packet.

Budget Impact:

No budget impact.

Recommendation/Next Steps:
